

The top section of the graphic features a light green background with horizontal stripes. Five white silhouette icons of sea turtles are scattered around the text: one in the top left, one in the top right, one on the left side, one on the right side, and one centered below the main text.

SO LONG SUCKERS

We're Goin' Strawless Geneseo!

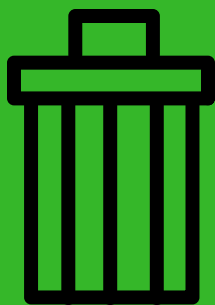

2050

Did you know by 2050 there will be more plastic in the ocean than fish?

500,000,000

Americans use over 500 million plastic straws per year

132,000

Last year at SUNY Geneseo we used over 132,000 straws

CAS at SUNY Geneseo is committed to sustainability. Over the years we have implemented several initiatives to lessen our carbon footprint on campus, and now we are saying so long to plastic straws! Join us in the #stopsucking for a strawless ocean movement!
