SENIORLIFE
Communities

Episcopal SeniorLife Communities provides a full spectrum of care and housing options for seniors including skilled nursing, transitional care, assisted living, specialized memory care, hospice, independent living, affordable housing, and patio homes. In addition, Neighborhood Programs promote health and wellness to seniors in the surrounding areas of our communities, expanding traditional services and allowing seniors to age in their place of choice. Our focus on each individual makes us one of the most trusted providers of senior care in the Rochester area. Six campuses are conveniently located throughout Monroe County. *Priority Consideration to all levels of care is a courtesy offered to each resident.*
